MINUTES OF MIAMI MASTERS COMMITTEE MEETING

SATURDAY 20th JANUARY, 2001.

REPORTS:

GEAR: Rob Bradford collating an inventory on club equipment. Battery for megaphone to be purchased so announcements can be more effective.

MERCHANDISING: Members happy with the design and colour of club togs. Jay will contact Sunshine Coast supplier for towels for presentation.

SOCIAL: A great time was had by 22 members who attended Currumbin estuary swim – thanks to Geoff Ross for organising.

TUESDAY 13th FEBRUARY, 2001.

Please note the extract of the following minutes are presented as UNCONFIRMED minutes as they will not be moved / accepted until the next meeting at 17th March

CORRESPONDENCE: Lyn Stanley had received a letter from John Crisp expressing his concern re money shortages when collecting carnival entries etc. Generally felt that when monies are to be collected. Each and every member should be responsible for placing their money in an envelope with name and amount printed on outside. It was also agreed however that whoever was responsible for collecting monies needed to be accountable and, if necessary, enlist help from other committee members.

REPORTS:

TREASURER: In Leanne's absence, secretary presented treasurer's report, showing a bank balance of \$2672.17 and \$8957.12 in cash management account. Whilst figures showed we were still running at a loss for the year proceeds from the Swim Meet should enable us to show a profit.

REGISTRAR: Norm Dash reported that the club now had 92 financial members - 79 renewals and 13 new members.

GEAR: Rob Bradford had purchased two new containers for flippers, as well as all the necessary items for the carnival.

GENERAL BUSINESS:

Lyn Stanley expressed her concern re some long-standing members, whilst very committed to their own training, are overlooking the courtesies which should be extended to new members who may be unaware of expected lane etiquette. Fun, fitness and friendship is our motto - let's keep it that way.

Lyn also thanked committee members for attending specially convened meeting, and also expressed Steve Cornelius' and her gratitude for club's nomination of "Thanks Coach Thank Ref" recognition award which they had both received recently.

NEXT MEETING: Saturday 17th-Mar-01, at 2.30 pm

Miami Masters Carnival

Despite an ominous forecast, the sun shone on our Miami Carnival last Saturday. The lads did an early warm-up erecting all the tents and setting up the blocks and tables. The girls arrived laden with yummy food for the Canteen. It was a very successful day, both in and out of the pool. Toni did a superb job on the

mile all day as usual, and we appreciate her sacrifice in not competing.

This also applies to many other members, who volunteered their services. Well done Brenda for collating the results into the Computer, and the swift publication of the results. Congratulations must go to Meet Coordinator Mark Fitz-Walter for a superb job in running a smooth day. He managed to squeeze in 2 swims and won both!

Afterwards, when the chicken and pizza arrived, the hungry hordes descended on them like a pack of piranhas, to the accompanying music of our entertainer, Craig Berry.

Sunshine Coast Carnival

By Rob Bradford.

Having spent such an enjoyable weekend I thought I'd write a short article for our magazine.

Firstly thank you to all on the Sunshine Coast Masters for a wonderful day. As it happened the weather was not too bad although the surf was rough and a strong wind was blowing on the beach.

We left home in pouring rain but by Beenleigh it turned to showers. On arrival the weather was not too bad so we went down to the Cotton Tree Pool and had an enjoyable swim.

Everyone swam well at the Carnival and the day was comfortable with only a couple of showers. Geoff Ross managed to pick up a State Title in 50m Butterfly, congratulations Geoff. I had goggle trouble on the starts, but kept them on in the 100m Freestyle. The results at the end of the day were good as our members collected a number of firsts and seconds.

Saturday night we met at the Surf Club for an enjoyable meal. We had good music, good food and good company.

Sunday morning saw us all take a walk on the beach. The wind had ceased and we even saw the sun. Even Kay had a swim on the edge of the surf after which we all jumped in the pool at the complex. We practiced water ballet there and Margie and Kathy put on a good show.

After breakfast at McDonalds we headed for home. Thanks to all concerned for a lovely weekend. Kay and I enjoyed it very much. Thank you John for your company in the unit.

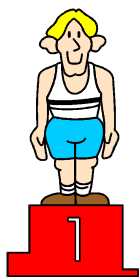

Lastly I would like to thank our coaches Lyn and Steve who I feel are doing a very good job helping all of us with our swimming.

It is interesting to note that the maximum individual points is 50, and each minor placing often contributes over half of this, so the key factor is participation.

Come on Miami, see you at the Townsville State Championships in May!
