Albany Creek Carnival

All of the members who attended achieved a place in the Age Group Winners, but the highlight of the meet

was the 240+ State Relay Record, broken by our Miami team by 5 SECONDS !

Golf Day:

On a gorgeous Sunny Winters Day on 12th August, we enjoyed another 9 holes at the Boomerang Golf Course arranged by Tony Smith.

This time, not only did every player have to make at least one drive count, we each had to draw the hole number from a hat, so for the occasional golfing hackers amongst us, we approached that hole with trepidation (editor included !)

The Longest drives were by:

- Men: Noel Dalgleish
- Women: Lyn Cartwright (visitor)

Nearest to the Pin (3 Par holes) were:

- Holes 1&2: Tony Smith
- Hole 7: Lyn Stanley
- Hole 8: Joan Wilby (visitor)

Toni Cameron wins the "Nike Air Award" for the most air swings !

Ted Puller lined up a fairway drive on the 9th hole, with a sparsely foliated halfway tree between him and the pin, Brett noted "if you hit straight towards the pin, you would only have a 5% chance of hitting that tree", Ted hit a glorious drive off the fairway straight towards the pin, and straight into the tree trunk!

Moyra claims she started and finished with a "Maxifly No. 1" golf ball, however, that's not to say it was the same golf ball !

The winning team needed to be decided on a count-back, earning them a Gold Bar each (a chocolate crunchie):

- Lyn Stanley (Team Leader), Joan Wilby, Brett Stuart & Ted Puller.

However a protest was levied from Graham's team, on the basis that the winning team's ladies did not tee-off from the true ladies tees on the 9th. It was left to the club president Lyn, (and leader of the winning team) to adjudicate, who has devoured her trophy, and yet to relinquish the win. At the next Tuesday night's training, Lyn advised that the winning prize was irrecoverable !

MIAMI MASTERS COMMITTEE NOTES

From Moyra Galton

Next committee meeting will be held on Saturday 15th September at 1.30 p.m.

If you cannot attend an apology would be appreciated and sent direct to the Secretary so that she can ascertain whether we have a quorum. No meeting was held in August as we had insufficient numbers.

The Brisbane Southside Race Meet would be a good carnival to get numbers for a bus, as we did for the Samford Race Meet earlier this year.

Members are advised that they will have to pay their registration fees very early in the New Year or perhaps even in December if they intend competing in State Titles which are being held in February 2002.

Quite a number of this year's committee are retiring - we need "new blood", so members are encouraged to consider running for committee positions, in particular:

new Secretary, treasurer, president, and social committee are required.

Burleigh Bears Leagues Club Dinner

A great idea from Margie Watts was to meet after last Saturday's training session for a meal at the Burleigh Bears Club, very convenient location !, and hopefully the first of many. Everyone was impressed with the venue, the food, the value, especially the cappuccinos at \$1.20 !
