Burleigh Breaky after Aerobics

On 8th September, an aerobic swim was held at Miami Pool, organised by Tony Smith, followed by breaky at Burleigh Beach Club. Almost everyone got the message to be at the pool at 5 minutes to 8:00, to be admitted, but someone spotted Laurie Bishop well after 8 am stripping down to her speedo's and slithering under the wire fence to make it to the aerobics swim. Points for perseverance!

Aerobic Swimmers

Pauline Benjamin achieved a P.B. in the Hour Aerobic Breast Stroke swim on 8th September, swimming over 1700 metres in the hour.

Pauline and Eileen achieved the maximum number of aerobic swims this year, well done !

Welcome Back Alan

Welcome back Alan Grant from 6 weeks overseas. He swam regularly with the "Cardiff Clams" on Tuesday evenings and the "Ilford Otters".

While in Prague, Alan caught a No.16 tram to the Community Pool and swam in an outdoor pool, in thick fog. Later in the steam room, it felt just as foggy, except for the big old naked bodies flopped on the marble slabs. Catching a No. 16 tram home to the hotel, Alan found himself dumped at the depot, and had to resort to his trusty map and tired legs to hike it home – all part of the fun of travel !

P.S. Alan was amazed at the time warp of Prague – the "tea cosy" capital of the world ! All the ladies in the pool were wearing frilly and flowery bathing caps, circa 1950's !

Welcome Back Legends !

On Tuesday night on the 9th October, coach **Raelene** quietly dropped into Lane 4, and after copping a bit of flack from the locals before the warm-up laps, graduated herself up to Lane 5, and completed the full nights training with us. Well done after not having swum for 8 years !

Allan Carlisle will be back with us after a 4 year break from a serious back injury. Allan started swimming Masters 16 years ago, from the original Gold Coast Club and onto Miami Masters. Allan was a Breast Stroke and Butterfly racing specialist, but will be taking it easy until the back strengthens.
